

In-House Italian Translator / Content Producer – (EN/FR > IT) - Multilingual Production Department (Barcelona)

The [Datawords Group](#) supports major brands in the deployment of their international digital strategy. A true pioneer in this field, Datawords has developed unique know-how across the entire value chain of digital communication (multicultural technologies, creation, video, consulting, strategy, webmarketing, AI, data analytics, etc.).

We are looking for innovative talent to best meet the growing challenges and technological developments of the sector. Our customers include giants in luxury, cosmetics, industry and e-commerce.

Being part of the Datawords team means:

- Working on complex and innovative projects for demanding customers.
- Learning about cutting-edge technologies and understanding the challenges of digital at the international level.
- Evolving among multicultural teams with diverse expertise.
- Being in daily contact with employees around the world.

Datawords in a few numbers:

- Nearly **1000 employees** of **50 different nationalities**
- Offices in **3 continents** and **13 countries**
- **15 major hubs** located in Paris, London, Berlin, Barcelona, Geneva, Milan, Shanghai, Hong Kong, Seoul, Manila, Tokyo, New York, Miami, Montreal and Mexico City.

To keep pace with technological developments in the field and face up to its increasing challenges through constant innovation, Datawords is looking for an

In-house Italian Translator and Content Producer (EN/FR>IT)

for the new Datawords Office in Barcelona, as part of the Multilingual Team for project coordination and translation.

Highly adaptable, first-rate writing/editing skills in your native language are essential to the role, as well as high competency in translation – the task central to this position.

Your primary responsibilities include:

- Translation or post-edition in a wide variety of styles and terminology
- QA of different material (website contents, subtitles, etc.)
- Working closely with the existing Italian team and multilingual project coordinators

Requirements

- MA in Translation Studies/Audiovisual Translation or similar
- Working languages: **Italian (native-speaker level required)**, high level of English and French
- Education and professional experience in your native language
- Great adaptability: appreciation for a young and multicultural work environment
- Strong work ethic, team player, dedicated to seeing challenging projects through to completion
- Excellent knowledge of office tools required (Microsoft Office Suite), computer savvy
- Knowledge of CAT tools (Trados or others) is a plus
- Previous experience in copywriting is highly desirable

Conditions

- Job based in Barcelona
- Contract and salary depending on experience
- Vacancy starting ASAP
- 40 h per week (from Monday to Friday)
- Meal voucher and transport ticket
- Health insurance (depending on the type of contract)
- Internal Training Program provided

If interested, please send your cover letter and CV to Rosaria Sorrentino rsorrentino@datawords.com and Margherita Imbres mimbres@datawords.com specifying in the subject of your email the language for which you are applying.

Example:

In-House Italian Translator / Content Producer EN/FR > IT - Multilingual Production Department (Barcelona)

We are looking forward to receiving your applications!
