- **Prerequisite:** Passing the mandatory preparatory course "Research Methods for Master Thesis," including the Anti-Plagiarism online module, **before** starting the thesis. The thesis grade is only registered if the student has formally passed this prerequisite.
- The master thesis should be handed in to the supervisor (both as a hard copy and an electronic copy) by the following agreed **deadline**:
- The above deadline should be determined to allow the supervisor two weeks for grading the thesis prior to the end of the exam period of the chosen semester. The supervisor is free to apply the penalty they want if this deadline is not respected.
- For **validation** in the chosen semester, the grade should be registered by GSEM Student Services by the last day of the exam period of the chosen semester. A grade received outside this period will be registered during the following semester and will require **payment of an additional semester fee**.
- Please send the completed and signed form to Karen Longden at GSEM Student Services, Uni-Mail, 3rd floor, Office 3287A.
