### Before you start looking for a accomodation

Before you start looking please note the following.

- The Unige cannot be held responsible for the result of any contact you may have with an advertiser on this site.
- The accommodation is not vetted by the Unige and the latter cannot guarantee the quality of any of the facilities described.
- Where possible, visit the accommodation before you book.
- If a deposit or rent in advance needs to be paid make sure that it is transacted through a recognised Swiss bank and certainly not via “Western Union”.
- The accommodation market in Geneva is very tight. Unfortunately this situation means that certain advertisers have no qualms about demanding very high rents.

### Rents that we advise our advertisers to charge

We recommend average rents to our advertisers but they do not always respect them, or it may be that these above average rents include extra expenses, hot water, heating.
