

Alpine Brain Imaging Meeting

January 8-12, 2017 - Champéry, Switzerland

Organization: P. Vuilleumier, C. Michel, S. Schwartz, A.L. Giraud, D. Van de Ville

The conference brings together an international group of researchers using or developing various brain imaging techniques (MRI, EEG, MEG) to study cognitive functions, behaviour, and neuropsychiatric disorders during four days of a convivial and interactive meeting.
