Tom Fletcher: CCHF in Europe – Lessons from Turkey

Main affiliation: Liverpool School of Tropical Medicine

Actual Position: Infectious Diseases Physician

E-mail address: tom.fletcher@lstmed.ac.uk

Tom Fletcher is an academic ID physician at the Liverpool School of Tropical Medicine and UK Defence Medical Services (DMS). He is specialized in the clinical management and research of viral haemorrhagic fevers, and deployed several times as a WHO clinician to the West African Ebola outbreak. Following this he undertook a Wellcome Trust Fellowship investigating the pathogenesis of Crimean-Congo haemorrhagic fever in Turkey. He is part of the WHO R&D Taskforce for CCHF and has served on several WHO VHF expert panels.
