2022 <https://www.unige.ch/emerging-virus-symposium/>

Céline Gardiol :

“Science, policy & pandemics –Better prepared for the next crisis?”

Main affiliation:

Federal Office of Public Health

Actual Position:

Head of Section Control of Infection and Vaccination Programm

Website:

<https://www.bag.admin.ch/bag/en/home.html>

After training in infectious diseases at the CHUV in Lausanne, Céline went to London where she completed her training with a MSc "Control of Infectious Diseases". Céline played an active role in the fight against the Covid pandemic as a member of the FOPH task force in which she was responsible for developing and implementing measures to protect the population. She is still working at FOPH as Head of Section Control of Infection and Vaccination Programm.
