Step 1 : How to allow consultation, by the students, of the evaluated test

- This tutorial is a supplement to tutorial 9, please refer to it to create the "test" activity on Moodle, as well as the other settings, on the dedicated page: [Coronavirus/collaborators/remote teachings](#)
- Review options can be set while you create your "test" activity or afterwards.
- The rest of this tutorial assumes that your "test" activity has been created and that you simply want to set the review options
