Prevention and protection

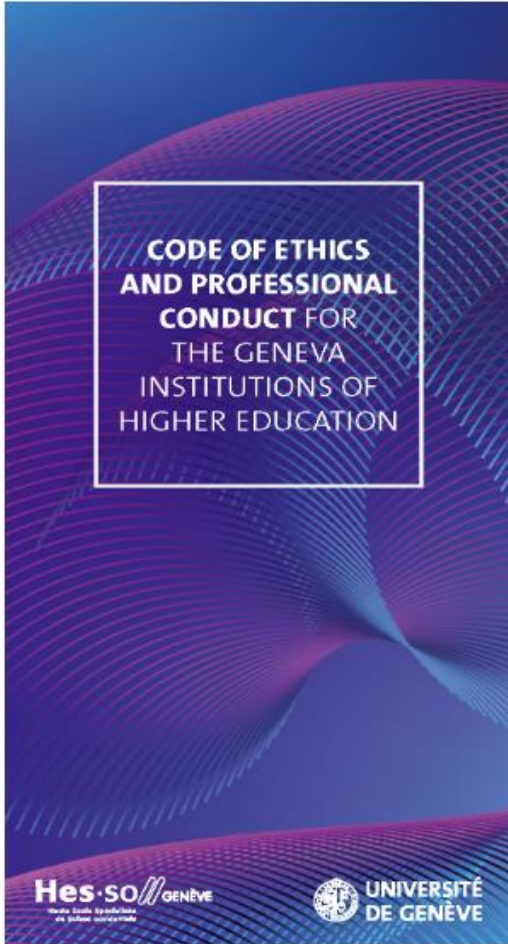

Egalitarian and inclusive culture

Research and innovation

Knowledge transfer

Respect : a fundamental value

CODE OF ETHICS AND PROFESSIONAL CONDUCT (2019)

4. Respect for the individual

a) The Institutions of Higher Education promote the principle of equal opportunity. They prohibit any discrimination based on, among other things, sex, ethnic or social origin, genetic characteristics, religious beliefs, political opinions, membership in a national minority, disability, age, sexual orientation or gender identity, both in fulfilling the tasks of teaching and research and in the relationships within the academic community. Particular consideration and safeguarding shall be granted to individuals in a position of vulnerability.

b) All sexist behaviour or psychological or sexual harassment is prohibited.
