The undersigned insurer certifies that the person or persons mentioned above enjoy during their stay in Switzerland health and accident insurance coverage equivalent to mandatory care insurance (see back), particularly covering:

- all hospitalization expenses in the general ward of public hospitals of the canton of Geneva at the rates set forth for persons who are not covered under collective bargaining agreements. The technical and medical cost of hospitalization, including all services provided during the hospital stay, is determined according to SwissDRG (Swiss Diagnosis Related Groups; www.swissdrgrg.org) which is the new rate system for the compensation of hospital services in acute somatic treatments. It sets the compensation for hospital services uniformly as packages by case, according to the latest revision of the LAMal;
- all expenses related to pregnancy and maternity, particularly lying in the general ward of public hospitals of the canton of Geneva, at the rates set forth (according to the SwissDRG) for persons who are not covered under collective bargaining agreements;
- all expenses for treatment in a social medical establishment;
- all expenses for ambulatory treatments such as those defined in Articles 25 through 31 LAMal cited on the back of this document (by way of illustration, for dialysis, transplants and auto grafts, the SVK (Schweizerischer Verband für Gemeinschaftsaufgaben der Krankenversicherer / Swiss Federation for common tasks of health insurers; www.svk.org) rate will be applied, taking into account the rates set forth for persons who are not covered under collective bargaining agreements.
- Under this certificate, the undersigned insurer undertakes to pay the benefits when any of the above- mentioned situations occurs. Service by social community or canton aid is excluded.
