Students should use our [course catalogue](#) published every summer. Applicants must base their course selection on courses from the previous year and adjust later if necessary.

Study plans are approved by our academic advisors before the semester starts. If needed, students will be able to **adjust it slightly** once in Geneva, **but it can not be completely changed. In addition, it will not be possible to change the main faculty.**

Main academic restrictions

 - Courses may be chosen from two different Faculties/Institutes at the most.

Faculty of Law,
English Literature/English Linguistics
- >students must be registered (**major**) in this field
in their home University

Please refer to our website for Faculty [general and particular restrictions](#)

Requested level for both: **B2**

If students take French and English courses, they must provide a test or attestation **for both languages**.

We provide access to a French test (cost CHF 10.-). The link is sent to students along with registration instructions.
