

Brief research curriculum vitae
(not mentioning teaching, supervision, and media)

Academic affiliations

Prof. David Sander

1) Director of the Swiss Center for Affective Sciences
 Campus Biotech - University of Geneva
 Chemin des Mines 9, CH-1211 Genève 20
<http://www.affective-sciences.org>

2) Director of the Laboratory for the study of Emotion Elicitation and Expression (E3 Lab)
 Department of Psychology
 FPSE – University of Geneva
 40, Bld du Pont d'Arve
 CH-1205 Geneva, Switzerland
<http://www.unige.ch/fapse/EmotionLab/>

Contact

Main academic positions, and University studies

Since 2013	Full Professor, Chair for “Psychology of Emotion,” Department of Psychology, FPSE, University of Geneva
2009-2013	Associate Professor, Department of Psychology, FPSE, University of Geneva.
2005-2009	Assistant Professor (“Maître d’Enseignement et de Recherche”), Department of Psychology, FPSE, University of Geneva.
2002-2005	Maître-Assistant, Department of Psychology, FPSE, University of Geneva.
1999-2002	Ph. D. in Cognitive Sciences, University Lyon 2, France. Research and teaching assistant at the Laboratory for the study of cognitive mechanisms, Institute for Psychology, University Lyon 2, and at the Institute for Cognitive Sciences, France.
1997-1999	Master in Cognitive Sciences (“Maîtrise et DEA”), University Lyon 2, France.
1995-1997	Bachelor (“DEUG”) in Psychology, Université René Descartes, Paris, France; and Bachelor (“DEUG”) in Applied Mathematics, Université René Descartes, Paris, France.

Main distinctions and awards

David Sander was the recipient of the National Latsis prize 2013

Main academic responsibilities

Since 2013	Director of the Swiss Center for Affective Sciences / Centre Interfacultaire en Sciences Affectives, Campus Biotech, University of Geneva.
Since 2013	Co-Director of the Brain and Behaviour Laboratory at the University of Geneva.
Since 2009	Director of the Laboratory for the study of Emotion Elicitation and Expression, Department of Psychology, FPSE, University of Geneva.
2013-2018	Director of the Swiss National Centre of Competence in Research (NCCR) for the Affective Sciences « <i>Affective Sciences: Emotion in Individual Behavior and Social Processes</i> », University of Geneva.

2011-2013 Vice-director of the Swiss National Centre of Competence in Research (NCCR) for the Affective Sciences « *Affective Sciences: Emotion in Individual Behavior and Social Processes* », University of Geneva.

Editorial board:

Associate Editor of the journal *Cognition & Emotion* (2010-2013)

Consulting Editor of the journal *Emotion*

Member of boards:

International Society for Research on Emotion (member of the Executive Committee, 2011-2013)

Fonds Universitaire Maurice Chalumeau (member of the Committee, 2012-2018)

The Swiss Stress Network (Member of the executive committee since 2019)

NeuroLéman Network (Member of the steering committee since 2018)

The Geneva Centre for Philanthropy, University of Geneva (Member of the Strategic Committee since 2017)

Fondation Archives Jean Piaget (Membre du Conseil de Fondation depuis 2020)

Fonds Général de l'Université de Genève (Membre du Conseil de Fondation depuis 2020)

Société Académique de Genève (SACAD, Vice-president since 2017)

Conferences and summer schools organization

Program Chair and Organizing Committee Chair of the Meeting of the International Society for Research on Emotion, Geneva, July 8-10 2015.

Member of the Scientific and Organizing Committees of the International Summer School in Affective Sciences for all editions (2009, 2010, 2011, 2012, 2013, 2014, 2016, 2018).

Main research grants as Principal Investigator (PI)

2020-2022 PI for the project “*Socio-emotional competences and academic performance in adolescents: a comparative evaluation of mindfulness meditation, improvisation theatre and board games interventions at school*”. Subside no 100019_188966 / 1 from the Swiss National Science Foundation (CHF 497'143).

2019-2022 PI for the project “*EmOdor - Investigating odor-elicited emotions.*” Agreement with Firmenich SA (Co-investigator: Prof. Patrik Vuilleumier). (CHF 1'502'000)

2019-2021 PI for the project “*Beyond Charity: the varieties of value-driven emotions in philanthropic behavior.*” The Geneva Centre for Philanthropy (Co-investigator: Prof. Florian Cova). (CHF 160'000)

2014-2017 PI for the project “*Affective Sciences and Energy Efficiency*”, Swiss Competence Center for Research in Energy, Society and Transition CREST (CHF 348'000)

2014-2018 PI for the project “*EmOdor - Investigating odor-elicited emotions*”, Agreement with Firmenich SA (Co-investigator: Prof. Patrik Vuilleumier). (CHF 1'360'000)

2013-2017 PI for the project “*Affective relevance: determinants, nature, and effects*”, NCCR Affective Sciences (Swiss National Science Foundation and University of Geneva). (CHF 365'000)

2013-2016 PI for the project “*The emotional brain and its goals: Neurocognitive mechanisms underlying the processing of goal-relevance*”; subside 100014_143398 / 1 from the Swiss National Science Foundation (Co-investigator: Dr. Tobias Brosch). (CHF 236'120)

2013-2016 PI for the project “*Components of reward and variations in sexual desire*” from the Fonds Universitaire Maurice Chalumeau (Co-investigator: Dr. Francesco Bianchi-Demicheli). (CHF 246'630)

- 2012-2014 PI for the project “*Applying affective sciences to virtual reality: The study of how scents can enhance emotional experiences in immersive virtual worlds*” subside from the Swiss National Science Foundation. (CHF 210'565)
- 2011-2013 PI for the project “*Affective relevance*”, NCCR Affective Sciences (Swiss National Science Foundation and University of Geneva). (CHF 200'000)
- 2009-2014 PI for the project “*EmOdor - Investigating odor-elicted emotions*”, Agreement with Firmenich SA (Co-investigator: Prof. Patrik Vuilleumier). (CHF 1'440'889)
- 2009-2011 PI for the project “*The neuro-cognitive architecture of emotion elicitation and differentiation*”, NCCR Affective Sciences (Co-investigator: Prof. Klaus Scherer). (CHF 200'000)
- 2008-2009 PI for the project “*Cognitive Neuroscience of Appraisal Processes in Emotion II*”; subside 105314_118267 / 1 from the Swiss National Science Foundation (Co-investigator: Prof. Patrik Vuilleumier). (CHF 213'237)

Research grant as Director of the NCCR Affective Sciences

- 2013-2017 Director of the National Centre of Competence in Research (NCCR) “*Affective Sciences: Emotion in Individual Behavior and Social Processes*,” subside 51NF40-104897 from the Swiss National Science Foundation. (CHF 7'000'000)
