Languages Italian (native speaker), English (C1), German (B1), French (A2)

EMPLOYMENT HISTORY

2018 - present: Senior research associate, **University of Geneva**, Institute of Environmental Governance and Territorial Development, Switzerland.

2013 - 2018: Senior researcher and lecturer (Oberassistentin), Swiss Federal Institute of Technology Zurich, **ETH Zurich**, Climate Policy Group, Department of Environmental System Sciences, Zurich, Switzerland.

2015: Visiting researcher and consultant, **Kings College London**, Department of Geography, London, United Kingdom.

2010 - 2013: Post doctoral research scholar, **International Institute for Applied System Analysis (IIASA)**, Risk Policy and Vulnerability Program, Laxenburg, Austria.

2008 - 2009: Lecturer, **University of Trieste**, Italy.

2004 - 2009: Research assistant, **Institute of International Sociology (ISIG)**, Mass Emergencies Programme, Gorizia, Italy.

2008: Visiting Ph.D. student, **Centre for Environmental Research (UFZ)**, Leipzig, Germany.

EDUCATION

2004 - 2008: **Ph.D. in Social Sciences**. Thesis title: *The social dynamics of risk and vulnerability* (in Italian) University of Udine, Italy.

1999 - 2003: **Degree in Communication and Social Sciences**. Thesis title: *Uncertainties and risks from mobile phone technology: a case-study* (in Italian) University of Udine, Italy, 110 cum laude

September 1992- July 1997: Scientific Gymnasium - Diploma di maturità scientifica 58/60. Monfalcone, Italy

APPROVED RESEARCH PROJECTS

2018-ongoing: **Phusicos-According to nature** European Commission (EC) Horizon 2020

2016-ongoing: **High Impact Weather Project** World Meteorological Organisation

2016-ongoing: **Climate Disaster Recovery Process Initiative for Chennai, India** ETH Zurich

2016-2018: **Espresso- Enhancing Synergies for disaster PRevention in the EurOpean Union** EC Horizon 2020

2015-2017: **Lamond - End User Focused Early Warning Systems** Austrian Academy of Sciences

2015-2017: **Pearl - Preparing for extreme and rare events in coastal Europe** EC 7th Framework Programme

2015: **Groundwater risk assessment and governance in Tulum, Mexico** Amigos de Siaan Kahn, NGO

2013-2016: **Inspire - Improved and eNhanced Stakeholders Participation In Reinforcement of Electricity Grid** EC 7th Framework Programme

2011-2013: **Matrix - New Multi-Hazard and Multi-Risk Assessment for Europe** EC 7th Framework Programme

2010-2012: **Safeland - Living with landslide risk in Europe** EC 7th Framework Programme

2009-2012: **CapHaz-Net - Social Capacity Building for Natural Hazards: Towards More Resilient Societies** EC 7th Framework Programme

2007-2009: *RiskBridge - Building robust, integrative inter-disciplinary governance models for emerging and existing risks* EC 6th Framework Programme

2004-2009: *FLOODsite - Integrated Flood Risk Analysis and Management Methodologies* EC 6th Framework Programme

2004-2005: *Risk behaviours of teen-agers in Friuli Venezia Giulia*; Office of guardianship of minors of the Region Friuli Venezia Giulia, Italy

SUPERVISION AND CO-SUPERVISION OF JUNIOR RESEARCHERS

Total: 18 students/research assistants/PhDs. Selected examples:

February 2018-present: Elena Mondino, **PhD student Uppsala University**, Sweden

February 2016-December 2016: Jacopo Aimo, **Master student Politecnico di Torino**, Italy

September 2015-December 2017: Monika Riegler and Philipp Preuner, **Research assistants IIASA**, Austria

July 2014-present: Tony Shahin Reyhanloo, **Intern**; Tanja Hasler, **Bachelor student**; Kaibin Tang, **Research assistant**; Franziska Steinberger, **Master student**; Leonhard Späth, **PhD student**; Laura Booth, **Post-Doc**; Philipp Weyrich, **PhD student**. All supervised or co-supervised at **ETH Zurich**, Switzerland

December 2009-March 2012: Chiara Bianchizza, **Research assistant ISIG Gorizia**, Italy

TEACHING ACTIVITIES

Total: lectures in 23 University Courses. Selected examples:

Main Courses: “Cases in Environmental Policy and Decision Making” (in 2016; 60 hrs) with Prof. Anthony Patt, Dagmar Schröter, Marco Morosini, ETH Zurich, Switzerland; “Social research theories and techniques” (in 2009; 90 hrs), University of Trieste, Italy. Only Professor (“Contract Professor”)

Lectures and Seminars (examples): i) “Developing people centered early warning systems”(in 2018; 2hrs) University of Vienna, Austria; ii) “Risk policy processes”(in 2016; 4hrs) ETH Zurich, Switzerland; iii) “Natural risk management after the L’Aquila case: What are the implications?” (in 2015; 2hrs) Bocconi University, Milano, Italy; iv) “Disaster risk management and trans-disciplinary research: swimming in troubled waters?” (in 2014; 2 hrs.) ETH Zurich, Switzerland; v) “New and old challenges in social vulnerability assessment” (in 2010; 2 hrs) International Institute for Applied Systems Analysis, Vienna, Austria; vi) “From risk perception to communication” (in 2009; 2 hrs), University of Padova, Italy; vii) “Climate change and sustainability” (in 2009; 4 hrs) ISIG, Gorizia Italy.

PROFESSIONAL ACTIVITIES AND MEMBERSHIPS

Reviewer Journals: Disasters - The Journal of Disaster Studies, Policy and Management; Environment and Planning C; Environmental Science and Policy; International Journal of Disaster Risk Reduction; Natural Hazards; Natural Hazards and Earth System Sciences; Regional Environmental Change; Risk Analysis; Futures; Wireswater; Energy research and Social science; Water Resources Research; International Journal of Sustainable Development; Weather, Climate and Society

Research programmes: UK Natural Environment Research Council

Membership in panels, boards i) HyMex- Hydrological cycle in Mediterranean Experiment; ii) Anses, Agence nationale de sécurité sanitaire alimentation-environnement-travail (France); iii) World Meteorological Organisation, Thematic area on High Impact Weather - User oriented evaluation task team; iv) Panta Rhei working group “Changes in flood risk”

ORGANISATION OF CONFERENCES AND SUMMER SCHOOLS

i) Member of the scientific committee for the Symposium "Climate Change and Natural Hazards: coping with and managing hazards in the context of a changing climate" University of Padova, Italy, 25th-26th February 2019; ii) YSSP Young Scientists Summer Program representative for the Risk, Policy and Vulnerability Program at IIASA International institute for Applied Systems Analysis, coordination tasks (2013); iii) Formation des travailleurs sociaux, Poiteau, France. Tasks: students’ tutoring (2010); iv) Conference “Borders and Public Health” ISIG-ECOSOC (2009), Gorizia Italy; v) XV International Summer School on innovation and creativity (2009): New solutions to the challenges of the New Europe, Gorizia, Italy; vi) XIV International Summer School on the problems of the New Europe (2008): The Mediterranean beyond borders, Gorizia, Italy.

OTHER INSTITUTIONAL RESPONSIBILITIES

Research group/programme responsibilities: identification of research objectives/vision, proposal writing, leading of workpackages in international projects, organisation of group seminars (including ETH Climate Policy Group Seminar coordinator and organizer in the years 2014, 2015 and 2016), research project management, university courses organisation and administration

Research proposal writing in the following programmes/funding schemes: European Commission FP7; European Territorial Cooperation INTERREG IIIB Alpine Space; Department for Environment, Food and Rural Affairs-UK, ERA-Net CRUE 2nd call; Ministero dell'Istruzione, dell'Università e della Ricerca FIRB - Futuro in ricerca [Italian Ministry for Education, University and Research - FIRB *Future in research*]; Austrian Science Foundation; Center for Strategic Studies and Management Brasil; Austrian Academy of Sciences; EC Horizon 2020, FP7

PRIZES AND AWARDS

3 best students awards: selected as one of the 100 best Italian High School students in 1998. Awarded a Scholarship at University Bocconi, Milano, Italy. 2002: selected as one of the 5 best students at Kolbe Journalism School, Venezia, Italy. Awarded a paid internship in a the Italian most sold Weekly Newspaper. 2003: Degree, 110 cum Laude (with Honors).

4 training and thesis awards: 2004-2005: Awarded *Environmental Sociology Research Grant* (based on Dissertation thesis results), University of Udine. June 2006; June 2008; June 2009: Awarded 3 European *Marie Curie Training Grants*

3 featured papers, 1 best paper and 1 best poster award: e.g. Scolobig A., Lilliestam J. (2016), "Comparing approaches for the integration of stakeholder perspectives in environmental decision-making", *Resources* 5 (4): 37[Featured]

[Last update: October 2018]
