

THE INTERN

- The internship thesis can only be published with the permission of the host company. If this authorization has been formally given, the publication of the thesis is nevertheless subject to the prior approval of the supervising professor(s) of the thesis.
- In the event that the Master Thesis or parts of the Master Thesis are used for professional or commercial purposes, the intellectual property of the work remains with the author, and the rights of the University and its representatives are reserved.
- The student is obliged to abide by the company's trade secrets and information communicated to her/him. Furthermore, information relating directly or indirectly to the company's activities should be treated as strictly confidential, unless otherwise expressed by the company/organization.
- The student should be aware of Articles 321 and 162 of the Swiss Penal Code:
 - **Article 321 (1):** "...seront punis de la même peine les étudiants qui auront révélé un secret dont ils avaient eu connaissance à l'occasion de leurs études. La révélation demeure punissable alors même que le détenteur du secret a achevé sa profession ou qu'il a achevé ses études."
 - **Article 162:** "...celui qui aura révélé un secret de fabrication ou un secret commercial qu'il était tenu de garder en vertu d'une obligation légale ou contractuelle, celui qui aura utilisé cette révélation à son profit ou au profit d'une tiers, sera, sur plainte, puni d'une peine privative de liberté de trois ans de plus ou d'une peine pécuniaire."
- The teacher(s) responsible for directing and/or evaluating the work are bound by official secrecy.

THE COMPANY

The company agrees to provide the necessary information such that the student is able to write the internship thesis.
