NOTED

Spring edition

Noted, the student journal of the English department, published its Spring semester edition on the first day of the semester and it's chock full of poetry, prose, nonfiction, drawings, photographs, and more. You can pick up your own copy in the English department (Comédie), in the English library, or in the Bastions building; the edition is so full, that we have limited supplies so get them while they last. If you prefer the more technologically advanced / ecologically friendly version, you can download the e-journal at: <http://www.unige.ch/lettres/angle/en/current-students/vie/newsletter/>.
