Call for proposals 2023

Deadline
7th March
2022

Leenaards Prize for Translational Medical Research

The Leenaards Foundation supports Translational Medical Research at the university hospitals in the Lake Geneva region carried out in collaboration with other academic institutions.

Applications must be submitted
online, by 7th March 2022
www.leenaards.ch/scientifique/

The successful projects will investigate a clinical or health problem from an original angle including pathogenesis, diagnosis, prevention or therapy. It must associate clinical and basic research. The Leenaards Foundation is open to projects in the fields of integrative or personalized medicine.

The amount at disposal is **1,5 million Swiss Francs (CHF)** to be distributed between 2–3 major and innovative projects with maximum

budgets between 500 and 750 KCHF. The primary applicant (principal investigator) will be a clinical scientist (MD, MD-PhD, or PhD) below age of 45, with an established research track.
