

Symposium

Recent advances and the future of Orthodontics
(ORTHO 501)

Saturday, October 2, 2021

Geneva, CMU Auditorium Marguerite Champendal (B400)

Stavros Kiliaridis will retire as Full Professor and Director of the Division of Orthodontics at the University Clinic of Dental Medicine (CUMD), University of Geneva, after 22 years of loyal service and scientific achievements. In his honor the FORMACO-CUMD organizes a one day Symposium. The invited speakers are world class and will offer a superb overview of current scientific evidence in orthodontics.

Programme - morning

*Recent advances and the future of Orthodontics,
CUMD, Geneva, 2nd October 2021*

- 8.00 – 8.20** **Registration, badges, certificates**
