THE P2 LAB

FULL LIST WITH LOCALISATION

- New RT-PCR QuantStudio 3, 96 wells
→ **Thanks to Eric Feraille**
- LABS-20k centralised storage system for cells
→ **Thanks to Michelangelo Foti**

Take home message

We are a large, diverse and active
department

Thank you all for making it
such a friendly place to work !

Take advantage of all opportunities to meet

HAPPY HOUR

Thanks to all labs that
made the effort to
organise a happy hour !

Next one:
this Thursday 5 pm
