

14C004 - HOT TOPICS AND BREAKTHROUGHS IN BIOCHEMISTRY

Tutored annual course of the Master in Biochemistry – List A – 6 ECTS

Course coordinator and contact: Prof. Thierry Soldati

1. TO BE COMPLETED BY THE STUDENT BEFORE THE START OF TUTORING

Last name, first name, e-mail, student's signature:

The person in charge of the tutoring is:

When tutoring is *extra muros*¹, name of external tutor, affiliation, e-mail, date, signature:

Internal mentor (*extra muros*¹ tutoring) or tutor (*intra muros*² tutoring): name, date, signature:

→ *Send the original to Ms Cécile Heymans, Office of the Department of Biochemistry for archiving*

2. FINAL ASSESSMENT OF THE STUDENT

Score attributed:

Date and signature of internal mentor or internal tutor:

→ *Send the original to the Student's Office of the Faculty of Science for recording of score*

1. *Extra muros* tutoring is done by an external tutor, *i.e.* a researcher outside of the School of Chemistry and Biochemistry. *Extra muros* tutoring requires the identification and agreement of an internal mentor.

2. *Intra muros* tutoring is done by an internal tutor, *i.e.* a researcher affiliated in the School of Chemistry and Biochemistry. *Intra muros* tutoring requires the identification and agreement of an internal tutor.

By signing, the external tutor (*extra muros* tutoring, when this applies), the internal mentor (*extra muros* tutoring) or the internal tutor (*intra muros* tutoring), and the student agree to comply with the General Study Rules of the Faculty of Science and the rules of the Master in Biochemistry relating to the assessment of the course: If the student fails the exam, the course and the exam can be repeated once.
