JOB OFFERS

The Institute of Philosophy at the University of Neuchâtel seeks to appoint two PhD students and one postdoctoral in connection with the SNF-project, “An Ontology of Production, Products and By-Products”, led by Oliver Massin and Kathrin Koslicki. The goal of this project is to develop and implement an ontology of human-made products and by-products by way of a detailed study of the ontology of artifacts (subproject 1) as well as the ontology of wealth and economic goods (subproject 2). For more information about the project, please consult the project description [here](#).

- Starting date: 1 October 2023.;
- Duration of the Contract: 30 September 2027 (4 years).
- Application materials should be sent as a single PDF document to Profs. Kathrin Koslicki and Olivier Massin to the following email address: productsonology@gmail.com.
- Application deadline: **May 31, 2023**.

Call for application [here](#) (PhD) and [here](#) (Post-doc).

Members who wish to share some news regarding their activities (e.g., publications, new professional appointments, job opportunities) may write an email to sptn@unige.ch.
