

The INNOGAP proof-of-principle fund

What is INNOGAP ?

Unitec and HUG created the **INNOGAP** proof of principle fund to help you move your research toward practical implementation.

Unitec and HUG distribute yearly up to 5 INNOGAP grants of up to CHF 30'000 each to UNIGE and HUG innovators.

Which projects are eligible for INNOGAP grants ?

- The building of prototypes or demonstrators.
- Proof-of-principle studies.

Project pre-requisites

- The project is linked to an active Unitec technology commercialization case.
- The technology has future commercial potential.
- The technology is not sufficiently developed for commercialization.
- The grant would, in principle, allow substantial progress towards commercialization.
- Related IP must not bear potentially conflicting third party interests.
- Innovator's management line must support innovator's work related to the technology.
- The project has not previously been financed through a **INNOGAP** grant.
