Swisscom  
**StartUp** Challenge  
2018

*“ I’ve become a completely different person. So far in building the business, I have concentrated particularly on development and prototyping; now I will focus on the business side. ”*

Manu Lubrano, Involi CEO and co-founder and StartUp Challenge 2017 winner, speaking after the business acceleration programme in Silicon Valley.

It doesn't matter if you are starting your business in Artificial Intelligence, ICT/cloud services, digital marketing/commerce for SMEs, cyber-security or IoT/robotics - sign up for the Swisscom StartUp Challenge and give your start-up a boost.

**Apply from 6 April to 21 May** to be in with a chance of winning a business acceleration programme in Silicon Valley:

Swisscom  
**StartUp** Challenge  
2018

*“One of the highlights in Silicon Valley was the fact that new meetings were set up because of people I had met earlier in the week. The power of networking is so big in the Valley.”*

Aurélien Demaurex, ecoRobotix co-founder  
and Swisscom StartUp Challenge 2017  
winner, speaking after the business  
acceleration programme in Silicon Valley.
