Hello Tomorrow is coming to Switzerland for deeptech entrepreneurs - June 27th

Calling all science and deeptech entrepreneurs! Do you have a technology which could transform our lives? Our friends at @Hello Tomorrow have just opened their call for applications for their global #HTChallenge! Get your fast-track to the deeptech network with 1-to-1 meetings with VCs & industry leaders as well as a chance to pitch your project to a select audience and win up to €100K equity-free funding!

Join us to learn more about [Hello Tomorrow](#) and how you can move your research from lab to market. Meet previous swiss participants and winners, connect with the deeptech ecosystem and get your fast-track to the global #HTChallenge.
Challenge YouTube video: https://www.youtube.com/watch?v=n7kmG-56yVg
